

COVID-19 VACCINATIONS

Public Vaccination Information Evenings: What is Pfizer?

ARE YOU GETTING THE PFIZER VACCINE? OR DO YOU NEED MORE INFORMATION TO DECIDE?

In preparation for the Puna Vaccination Rollout starting this Saturday, you are invited to the Public Vaccination Information Evenings. These evenings will give you the opportunity to get informed about COVID-19, preventative measures you can take and information about the Pfizer vaccine which is available in the Cook Islands.

These sessions will be presented by Mirella Simpson, Senior Lecturer, School of Nursing, MIT. And supported by;

- New Zealand Medical Assistance Team (NZMAT),
- Niki Rattle, Former Secretary General, Cook Islands Red Cross
- and the Kia Orana Aunties, Nane and Lydia.

Ensure your TMO Patient Details are up to date

It is important that TMO have your most up to date contact details so you can be advised of your assigned vaccination appointment date and time. To update them:

Call 22664 between 8am – 4pm, Monday – Friday and speak to Pa Tauakume or Haumata Hosking.
Or contact them on: Haumata 57481, Pa 57486, Philomena 57482 or Renee 57486.

Or update your patient contact details online at www.covid19.gov.ck
