## **WHO SHOULD GET TESTED?**

**This has been updated as of Wednesday 18 August, 12pm**

Passengers (both visitors and locals) who arrived between **2 - 16 August 2021** may be required to undergo a COVID-19 test. Prioritized screening and assessment of high-risk persons are identified as those who are:

1. Have been at a [location of interest in New Zealand](#), or
2. Symptomatic with [COVID-19 like symptoms](#)

**These persons are required to be tested.** These persons must remain at home or in their accommodation and contact TMO on 57481, 57482, 57486, 56199 to make themselves known, for a risk assessment and COVID-19 testing immediately.

**All others who do not fit into this criteria do not need to be tested and do not need to self-isolate.** If persons in this category are wanting to be tested, they may attend one of 4 testing stations around the Island (Located at Ministry of Health Tupapa Admin Block, Constitution Park, Blackrock Clinic and Muri Clinic).
